胜男篇

作者：王曼

第10集

Your humble subject Lin Wen Long Kowtows to the king of Zhen Nan!
General Wen Long,
Have the people been gathered?

There are already a hundred thousand of our people gathered about one hundred li outside the city awaiting command. Once you give the word, we will launch an attack. Immediately. We can completely wipe out the women kingdom!
No
It's still not time yet...
According to confidential reports, the Empress of the Women Kingdom will come to Yi Hong Yuan for entertainment over the next few days. We can capture the Empress and take over this country's command! The siege on this country will then be mostly in our favor!
Have you located the whereabouts of my royal brother?
His Majesty slaughtered the Women Kingdom's six great generals all by himself! Yesterday, His Majesty's gift of a blood letter has appeared in the royal highness' residence!
T/N: THE TERM HE USED IS LITERALLY "A BLOOD LETTER". RE: STONED IN A PERSON BY THE COURT UPON THEIR DEATH.
Desire for vengeance and hatred has caused a drastic change in his temperament and thrown his heart into chaos. Although royal brother is highly skilled in martial arts
It's just that the royal highness of the Women Kingdom is infamous for her deviousness and cruelty. I'm afraid my royal brother would be defeated at her hands instead!

Send some men to the royal highness' residence to investigate. Any news of royal brother should be reported to me immediately! You are dismissed
As you command!
No one has seen the Empress' appearance before. How can we lure her out to show herself?
Seems like the people who want my life Isn't just a few!
A fallen country trying to gather a few tens of thousands of the remaining people to attack our city? They're really overestimating themselves!

Who are you? What are you doing here?
Aha! I was just passing by
You, you're a boy, aren't you?
What a gentle pretty boy!

To think that the genius gourmet chef that we appreciate so much is actually this gentle, pretty boy!

Did it hurt? Here, let me see it!
This kind of thing It's just a matter of becoming used to it.
If I were to cast blame, I can only blame myself for being born as a lowly male
.....
You're not allowed to say such things! Tian Chen is not a lowly person!
I, Lin Ye Yue will make Tian Chen the world's most honorable and respected man!
